

For Warm up today we continued to look at our running between the wickets and also looking at trusting your partner's call.

Jack lost the toss and we were put into bat first.

1st pair, Danny & Morgan both took on board what was said in the warm up. Running really well and batting positively. There were 4s for both and only 5 dots in their 4 over's, Morgan was run out on their last ball but left the score nicely on (230)+30

2nd pair Sam Pluck & Millie followed the trend and ran really well, running 10 singles and a 2, with Mille in fine voice. Only the loss of 1 wicket, Sam bowled by a tricky in swinger so half way though (238) +8

3rd pair Sam Forrester & Will, There was allsorts going in their innings with run out, run's from singles, bye's and wide's. Will hit a 4 their penultimate ball followed by a hit Will thought had cleared long off only to drop out of the sky!! For what was a very good catch. So even with the 2 wickets they pushed us up to (252) +14

4th pair Jack & Ben batted nicely, again running the byes and wides, well in with pushing singles and good straight batting, Jack hit a nice four to backward leg. This pair did not get out. (275)+23

Only 4 wickets including 2 run out's. With a total of 45 coming from runs (not 4s) so well done to the Leopards today with the bat.

Fielding

We were looking to put the pressure on Parley in the field,

From the off Jack bowled straight and fast with him taking a wicket from the last ball first over which settled any nerves. Ben followed with only 1 single coming, Next Mille she was hit for a massive 6 off a full toss but soon settled down. Sam P bowled the last over of this pair, going for 5 singles then a bowled wicket last ball (nice comeback).so after 4 over's (205)

Millie bowled the 5th over, 5 dots and bowled wicket last ball to give her a wicket maiden. The only maiden of the match! Sam P then only conceded a wide, Sam F had a little trouble with his front foot stepping over the line and was hit no for 2 4s. Will bowled nicely but he also got hit to the boundary so after 8 (222) +17

Danny took his first over with only the 1 wide, Will then bowled a cracking over with 2 run outs, the 1st great pick up a throw by Sam F back into Morgan for him to remove the bells, 2nd Danny "the shot "Gunn fantastic pick up and direct hit to leave the batsman stranded. Ben's 2nd over another good one a bowled wicket. Danny well and truly finished this pair off with a bowled wicket and a run out (can someone claim 3rd run out please) after 12 over's Parley had gone backwards (201) -21

The last pair were bowled at by Sam f, ben and 2 from jack no wickets but only 17 runs were added by parley best bats they closed on (218)+18 8 wickets 5 bowled 3 run outs

Keeper

Morgan Cole another first class effort behind the stumps with only 1 bye
