

Bournemouth v Christchurch under 16's

The first game at this age for nearly four weeks, found our team at Hurn on a warm summer evening. Bournemouth won the toss and batted with openers Jake Hurley and David Iles getting off to a brisk start, both of them playing some really good shots and finding the gaps in the undermanned Christchurch field. Sadly David misjudged a ball trying to sweep the ball and was bowled, Curtis Watton joined Jake. Sadly Curtis was dismissed LBW to a straight ball, Gregg Message took to the crease, but soon departed. Robin Appleby came in at number five needing to score some runs after a very poor start to his season, and, started to feel bat on ball quite quickly. After a short partnership with Jake, Jake retired. Rob Smith joined Rob Appleby and both started to see the ball well scoring runs by hitting good shots. Rob Appleby was caught when he had scored 34 (welcome back to the happier side of cricket Rob) in total Bournemouth Score was 175 ish.

We took to the field and all of the bowlers were able to bowl two overs, and did so very well indeed taking all of the Christchurch 8 wickets for 76 all out ! Another good team performance by all players. The next games at Parley in two weeks.
