Bournemouth Kangaroos v Suttoners 18-July

Kangaroos 239 Suttoners 212

We won the toss and decided to field first. Their first pair pushed the score along to 218 only losing one wicket (going to Dillon). Alex and Dillon then bowled another over both taking a wicket apiece. Lewis and Cameron then bowled the next two overs only conceding one run from the bat each. Suttoners were only able to progress to 225. Their third pair actually went back to 216 with Robert bowling a wicket maiden and Gareth taking two wickets. Alfie also bowled two excellent overs only conceding four runs from the bat. Suttoners final pair took their total to 212, Robert distinguishing himself by bowling a wicket maiden.

Bowling

Robert 3 overs 3 wickets for 3

Gareth 3 overs 2 wickets for 14

Dillon 3 overs 2 wickets(one a good catch by Cameron) for 11

Lewis 1 over for 3 runs

Cameron 1 over for 7 runs

Alfie 2 overs for 6 runs

Batting

Dillon(19) and Lewis(2) put on over half our final total, scoring 221

Alex(2) and Alfie(4) took the score to 228

Gareth(2) Cameron(2) moved on to 235

Robert(8) Sterling(3) finished with our total on 239.

In the end a very tight game. Suttoners fielded really well and will consider themselves unlucky as they only had 7 players.

Champagne moment-A fantastic one handed catch from Robert off his own bowling!

By my calculation we are now in second place but only four points ahead of Suttoners. Everything will go down to the last game for the runners up spot. We are away to Bransgore and they are away to Christchurch.
