

Parley B v Bournemouth leopards 10th may 09

This our first away fixture of the season against a strong parley outfit.

Millie Harris having been awarded the captaincy lost the toss after first calling to bat! We were sent in.

First pair in were Danny Gunn and Millie Harris and started strongly against the Parley bowling with both hitting 4s and running well, but lost 4 wickets during the final 9 balls so we were evens after 4 over's (Score 200)

Next in was Sam Pluck and Ben Spotswood, and unfortunately this pair were unable to get the ball past the Parley fielders, but showed some good defensive play, and escaped without losing any wickets. (208) +8

Next up were Victoria Pack and Lewis Underwood. The pair only had one run out (a yes no I'm coming situation) Victoria hit a beautiful stroke for her first 4 in hard ball, Lewis chipped in with a single (221) +13

Finally Sam Forrester and Morgan Cole took to the crease. Scoring consistently thro there 4 over's Sam F hitting a four and Morgan couples of 2s .so even with both missing a straight 1 they had the highest partnership which left us on (236) +17

A good effort with the bat, but work to be done on keeping out the straight ones!!!!

Bowling

Millie handled the leopards fielding and blowing order really well. Even Lewis went wear he was told that is something jack has no control of!!

After 4 over's parley reached (217) only losing one wicket to Danny.

Jake a good parley bat enjoyed some of our straight blowing but Sam F came back well and took 2 wickets to slow them down... (236)

With the 3rd pair in Millie got Lewis to change ends and it worked a treat he bowled much tidier and took a bowled wicket. Millie then bowled her best over missing the off stump and then hitting the top of off for her first under 10 wickets (I think) (249)

With the last pair in Sam p claimed a C&B a very calmly taken catch; parley's running was sharp so ended on (271)

The game seemed closer that the score may suggest, with some excellent blowing the parley boys were rattled at times. They never dropped there heads and I was proud of the effort given today

With a special thanks to Vicky for keeping for the leopards

Well played

Drew Underwood leopard's manager
