

Match Report

Bournemouth Kangaroos v Poole Town Saturday 09-May

Poole Town 260/ Kangaroos 309

It is a pity that the main person responsible for this win was not there to see the fruits of his labours. The facts are that we lost two wickets but Poole lost seven, five of these were catches. Deduct thirty runs from our score and you can see how much closer the game would have been. This game shows the importance of the work Neil has been doing with the boys at training by focusing on their fielding skills.

Batting

Top scorer Robert with 37 (Poole can count themselves unlucky that one of their team went off the pitch injured just as Robert came out to bat).

Dillon 15/Cameron 14/Gareth 12/Oliver 8/Lewis 8/Stirling 4/Alfie 2

Bowling

Gareth 2 wickets

Dillon 2-these both came in the ninth over and this was also a maiden. This really turned the game in our favour and after this Poole's last two pairs only added 18 runs to the score.

Robert 1

Stirling 1

Oliver 1

Stirling and Lewis shared the wicket keeping and both did a fine job.

This was a really good team effort and everybody contributed something to a well deserved win.

Champagne moment

Alfie-That catch!-there should have been TV cameras to record that one!

A big thank you to Pauline for stepping in and acting as scorer.

It was great to see Alex there as well supporting his team mates even though he wasn't playing.

Next game Broadstone in the cup.
