

Bournemouth v Suttoners 21 May 09

Bournemouth batted first with Matt Fleming and David Iles hitting excellent shots around the ground at will. Sadly this week Curtis Watton was out for one run which can happen as we all know after a good partnership previously, Jake Hurley came to the crease and with his usual command, steadied the ship. Gregg Message and Mike Fidderman scored freely and before we knew it at the end of 20 overs the score was 244, with the runs attributed as follows. D. Iles 35, M. Fleming 38, J. Hurley 35, G. Message 37 all retired and M. Fidderman 36. Suttoners came up against some excellent bowling from Bournemouth with Rob Smith 3 overs no wickets for only four runs, Mark Rutland had 4 overs no wickets and again only 19 runs taken. James Ruckley then had 4 overs taking 2 wickets for 7 runs and Master C. Trllis with his slow left arm around the wicket was again triumphant with figures of 3.2 overs 2 wickets for 1 run. The fielding was again a very good all round performance from a very good young team.

Sorry to all but I had a senior moment with my camera, some of the shots were breathtaking (you have my word for that) I set up what I thought was the correct mode to set the camera and..... sadly wiped them all. Slapped wrists and great apologizes to you all. You are all allowed to make comment to me in person.. SORRY

Colin Appleby
