Does your child suffer from any health conditions that coaches/managers should be made aware of?
A first aid box will be available at all times for parents to administer to their children if necessary.

Security issues are important to Bournemouth Cricket Club, Cricket is a 'hard ball' game and we encourage safe play-we urge you to instil in your child the importance of listening to coaches. Hampshire and Dorset policy require that helmets and protective equipment must be worn at all times when batting and keeping wicket when standing up. Bournemouth Cricket Club will not accept parental letters giving permission for children not to wear helmets. We recommend that a white top be worn at all times. A parent or family friend should remain during any activity involving children under nine years. Match fees are payable to the manager at every game.

Would you be willing to help us keep match fees to a minimum? By assisting with **scoring-umpiring-coaching-managing a side-fundraising-organising social events-collecting match fees-sponsoring?** (Please circle)

Occasionally during the season, parents or club representatives may wish to photograph players or teams. If you do not wish your child to be photographed please sign the statement below:-

I would like club representatives to make every effort to ensure my child is not photographed during matches or training sessions. :-

Signed.....Parent.

I/We being the parent/guardian of the above mentioned child, accept the conditions and playing regulations of Bournemouth Cricket Club.
