

The indoor season gets to its final rounds in January to Feb 2009.

Yet again there is a possibility of getting representation at every age group, to the final stages. Having entered at most age groups, two sides.

We have three of the age groups with two sides through to the next stages, which is good for depth of talent within an age group. So well done to all the double teams at 10's, 12's & 16's.

I very impressed with our under 9 side (playing in the under 10 league) for qualifying for the next round. Winning a game up is an achievement, but to qualify for the next stages is a great effort, now they could face the true under 10 side the Puma's.

With my team (Kangaroo's) being knocked out after winning the summer league (even though we scored the 2<sup>nd</sup> highest scores in the indoor league?). I am still hopeful that the Beasts can come through to qualify in 4<sup>th</sup> place (best of luck Rachel & the Beasts next Saturday). This is a competitive age group where as an example we played in the festive 5/5 competition pre Christmas at Hurn, where we lost on the last ball, three times against Parley A (eventual winners and all county players) and Parley C (the under 10 County Team members).

The under 12's continue to be a strong age group. This year both teams have made the final stages. Well done to Mark & Jim for their hard work in getting sides out through the winter. Hopefully we will not meet to the final.

The under 13's, 14's & 15's all have representation which is excellent. Well done to all match Managers for getting them so far.

The under 16's continue their good form from last summer and yet again have drawn each other frustratingly in the 1/4 final stage.

I have attached below the final stages to date. If you get a chance please come along and support your age group in the finals.

There will be an under 9's competition in March/April 09. I would like to put in two sides. One will be a beginner's side, which will form the "softball squad" for the summer 2009 and the "hardball" under 9 side,

managed by Mike Jones. If you are interested in your son and daughter playing at this age group, please contact me, and I will work with Mike to get them a game indoors.

Have a great New Year.

Neil Pack.
