Comments: Last week I said I wanted 2 retirements a match. Well this week we got one and were very close to getting two more, so well done to the opening three batsmen. Our extras were down by almost a third on previous weeks, with tighter bowling generally and helped a lot by Phil's fantastic first match as wicket keeper. He's got the job! Jack Jeffs had a great debut taking a wicket in his 2nd over but didn't get to bat – next time! And I guess I have to mention a certain Barney C who surpassed both his and our wildest expectations with a fantastic opening bat, scoring 2 sixes and a four off one over and retiring on 27! Can it happen again???! Not without such a small boundary he says but here's hoping!
