

Bournemouth Cricket Club Winter 2010/2011 presentation evening

13 sides were entered in the Indoor competitions this winter at Hurn and an under 16 side at the Rosebowl.

On top of these sides we entered the Christmas Hurn Competitions where our Under 14s won their competition.

Before we start the presentation, I must thank all the managers again for their Stirling service in getting sides out during the winter. In the cold, wet, rain and even snow, we fulfilled our fixtures with 8 sides getting through to the knockout stages. Unfortunately this is where the wheels fell off leaving only Bournemouth Lions in the semi finals before falling at the last 4 stage. Sometimes you need some luck indoors and a number of our teams had tough knockout ties to progress.

Anyway we are here to acknowledge the boys and girls efforts this winter and acknowledge their selection successes to District and County representation.

Starting with the Under 9's. The Dragons were a nearly new side bar Joshua "been around for years" Cook. We were in a tough group and they acquitted themselves really well winning two and losing one with one cancelled. If we had been in the other group we would have been 2nd. We lost in the last 8 to the eventual winners Parley Panthers.

Onto the awards. Dragons player and fully deserved for his glove work is Bradley Spanjar. Under 9's Managers player has been awarded by me to Mr Consistent, an aggressive bowler and good fielder. Jarad Sheppard.

Under's 10 now

Two sides at this age group. Both Mark & Tony found player availability sparse & getting sides was difficult due to football in the mornings of games.

Onto the results Bournemouth Otters played 5 won 4 and lost 1, finished 3rd in their group.

Their player's player needed an alternative vote decision and in the end it was decided to award two awards as both players was inseparable. So the

Otter's players player with the same votes cast twice are Jacob Feldman and Ben Spotswood. Both boys this winter have been selected for district representation, so well done boys.

Otters most improved player was a straightforward decision and based on his training throughout the winter and his on the game performances Jean-Paul Hamidi was voted the most improved player.

Bournemouth Badgers played 5 won two lost three. They scored the 2nd highest cumulative team's score over the league stages, but finished 5th! You will hear later some of the large scores hit , when other awards are presented.

The Badger's player's player is Matthew Young, and most improved player who played up a year was Joshua Cook. Congratulations to Matthew for his East Dorset selection as well.

Onto the under 11's. My side again the wildcats. Played 4 won 1 lost three, but beat Parley in a thrilling last ball 397 run chase. Yet again they scored the 2nd highest cumulative total in the league structure & finished 4th.in their group!

Wildcats player's player and ever present in the wildcats is one of my quiet players Lewis Underwood. Well-done again to Lewis for making the District side.

Wildcats most improved player could have gone to nearly anyone in the team but in the end his batting and bowling are improving all the time. So our most improved Wildcat is Edward whittit.

Bournemouth Pumas have the other side at 11's and they played 4 games winning one and losing 3. Mike had difficulty getting players regularly, and like the Wildcats had their moments, but not enough quality ones. What I will say is the under 11's age group is an incredibly strong Dorset year.

Onto the puma's awards. Puma's player's player was Ben Jones. Ben has done really well and has been in the Dorset training squad this winter, so well done to him. Can I also congratulate Max Mourgue on his selection after moving from Bransgore to join our club and the wildcat's side?

Most improved player goes to one of Mike's regular players and Mike has awarded the trophy to Joshua Halderhay.

Onto the under 12's

Starting with the Leopards. They played 4 won 3 lost 1 before losing in the quarter final.

Their player's player and another District player is Ben Thompson.

Most improved player through the winter is Harrison Clarke. He has come back into the fold with a series of great performances. He has just got his place back in the County squad which is great news. On top of these two boys Jack Underwood has also been selected for the county squads and we all of these boys well in his summer season.

Under 12 Panthers played 5 won 1 and lost 4.

Their players player voted by the team is Ben Jones. Well done Ben especially playing up a year.

Mike's panther's most improved player is Sam Forrester. So well done to Sam for continued improvement.

At this point before going onto the under 13's and over awards, I will present one other award. This is the best performance over the winter by an under 12 and younger. You have heard plenty of good things from our awarded players but this young man is an under 10. He bats' bowls and keeps wicket. He's a run getter and accumulates in nigh on every game. He scored 250 runs in five innings, and was only out once in pair's cricket, he's been selected for the county this summer and he took 2 catches and 4 stumpings in his indoor games . The winner of the under 12's and younger winter player of the winter season is Matthew fisher.

Under13's

The beasts and kangaroos were in the same group!

The kangaroos played 4 winning all four with the best indoor record of all sides, and the Beast finished 2 winning two losing 1 ,with a no result due to snow. So well done both sides. Unfortunately both sides lost in their quarter final matches.

The Beast's player's player is Joe Marshall. A new player to Rachel's team

over the past 12 months ,and an improving player.

The Kangaroos player goes to a bowler who can bat a bit and ,is an East Dorset district player. So well done to William Denham

Under 14's

The tigers run by me played 6 won 4 lost one and had one snowed off. We qualified in 2nd place, won the quarter final before losing in the semi final to New Milton.

The tiger's player's player goes to James fisher for consistent batting performances.

Jims team the lions played 6 won 2 lost three with one cancelled game.

Jim's player's player and District player is Paul Rutland

Under 15's Saxons. Sue's team played 4 won 3 lost 1 .

Their player's player is Patrick Lloyd. Well done Patrick. Can I also say well done to James palmer for his selection in the East Dorset District team?

Richards Celts played 5 winning 1 game losing four. I watched a number of these games and his team lost a couple of very close games as well.

Richard player's player and ever present player as a Celt for years is ,Tom Griffin beale. Well done tom

These two sides merge this summer in preparation for the national knockout competition. Richard and Sue will manage this side this summer.

Under 16's Rik's team had great problems maintaining an under 16 side with many of the team not available or not wishing to play. So it was a great achievement to fulfil these fixtures. Playing 7 winning 2 and losing 5. Can I thank the numerous younger players who played who did really well in a hard age group.

The Eagles players' player and accurate bowler is Joshua snell..

Onto the Rosebowl . We enter a side in this competition. Its prestigious

competition with the best of the Hampshire leagues and the Southern premier league under 16's getting together at the rosebowl. Yet again we had little participation from the under 16's and I must therefore thank the regular squad of players. We only won one game, but had many close games ,losing a couple in the last over. The squad included Jacob Master who skippered the side, Joshua snell,Pratik Choudhary, Luke Matthews at keeper, Harry weal, Robert pack, James palmer,liam Keogh & Dan message playing the majority of games. A great experience for these young lads who tried and never gave up when facing some hostile batting and aggressive batting.

The rosebowl player of the winter goes to Jacob Masters for a number of good innings and taking the role of captaincy ,under extremely difficult circumstances.

Onto the over 13 winter players player.

I received number of nominations

So here goes.

See Jim's notes. Re Harry and Paul

Gareth Davies was nominated see Bryn's notes. Add under 16 game against bashley

Robert Pack for playing up in all age groups and being involved in the rosewood win taking 2 for 4 in 3 over's.

Alex bowes also played up and was excellent in games playing up. Congratulations to Alex for making the County squad.

But the winner statistically and for playing in a range of games this winter goes to Harry weal.

The last presentation of the evening. It's been going for 8 years. The scores have been tremendous, but this year it takes some believing... The shield this year is going to the youngest recipient ever. Although his brother should have won it!

Playing In a pair's game, where the maximum balls you could face would be 20. MATTHEW SCORED 80 NOT OUT.
Quite an amazing feat. That will stand for years as a pairs score.

Can I finally thank one more person before we get onto the Easter Egg Raffle?

This man has supported the section for years ,and especially the colts with umpiring, and coaching.

Richard Shore has decided to hang up his coaching shoes and I think he deserves a thoroughly deserved clap for years of volunteer service.

So thank you Richard from all the colts, managers and parents for all you efforts.

Neil Pack
